## Summary

Enthusiastic and forward-thinking student deeply passionate about innovation and dedicated to a career in cloud services. Currently pursuing a degree in IT with a profound interest in cloud computing. Holder of the AWS Academy Cloud Foundations certificate, with hands-on experience in AWS and Azure through completion of diverse cloud-based projects. Excited about the opportunity to further expand my expertise, and eagerness for continuous learning and collaboration as an intern at Visma Solutions Oy. Committed to acquiring practical insights and contributing meaningfully to Visma's Netvisor infrastructure team.
